

Humanoid Hub EMEA

Indicative Price List — humanoid robotics platforms · July 2026

We are an independent EMEA sales channel for Chinese humanoid robotics platforms. Prices below are manufacturer-indicative, ex-works (before freight, duties and VAT). Your formal quote — returned within one business day — itemizes configuration, shipping to your country, and compliance documentation.

Platform	Manufacturer	Class	Best suited for	Indicative price
Booster K1	Booster Robotics	Compact humanoid · 22 DOF	Education, competition, classroom fleets	from \$5,000
EngineAI PM01	EngineAI Robotics	Mid-size humanoid · 24 DOF · 1.38 m	Research, education, content	from \$12,000
LimX TRON 1	LimX Dynamics	Multi-modal biped (point / sole / wheel)	Locomotion R&D;, all-terrain studies · Standard & EDU	from \$21,600
Booster T1	Booster Robotics	Developer humanoid · 23 DOF · 1.18 m	Research, RoboCup (2025 champion platform)	from \$22,000*
EngineAI SE01	EngineAI Robotics	Full-size humanoid · 32 DOF	Advanced R&D;, industry pilots	from \$54,000

*Current-year T1 configurations list from \$29,800; earlier-generation base from \$22,000 — your quote states exactly what is included.

What your formal quote adds

Configuration options and current factory lead time · air or sea freight to your destination · import duties and VAT for your country · CE documentation status (verified before any EU delivery is promised) · payment terms via our registered entity. Multi-unit education pricing available on request.

How to order

1. Request a quote at <https://tothriveistoderive.github.io/humanoid-hub/> or reply to this email. **2.** Formal itemized quote within one business day. **3.** We manage the order through delivery — factory coordination, freight, customs paperwork.

✓ Purchase orders from universities and public institutions welcome · ✓ We answer in EMEA time zones

Humanoid Hub is an independent commercial sales channel; we earn fees and commissions on brokered sales — openly disclosed. Prices are indicative and subject to manufacturer confirmation. Contact: ledogmanben@gmail.com
